

Product Certified

Formaldehyde Emission Classifications

The Engineered Wood Products Association of Australasia Ltd. certifies that

Alpine MDF Industries Pty Ltd

Lot 1, Crosher Lane, Wangaratta, Vic

Mill Number 1

manufactures the following products which continue to satisfy the EWPA Particleboard and Fibreboard Scheme Rules for Certification with regard to formaldehyde emission. This is based on a rolling three monthly average of NATA accredited laboratory test results complying with the limits specified in the relevant standard. Testing is conducted in accordance with AS/NZS 4266.16*

Product	Standard	Grade	Emission Class	Emission Limit (mg/L)
Fibreboard	AS/NZS 1859.2 MDF	Low Density	E1	1.0
Fibreboard	AS/NZS 1859.2 MDF	Low Density MR	E1	1.0
Fibreboard	AS/NZS 1859.2 MDF	Moisture Resist EO	E0	0.5
Fibreboard	AS/NZS 1859.2 MDF	Moisture Resistant	E1	1.0
Fibreboard	AS/NZS 1859.2 MDF	Standard	E1	1.0
Fibreboard	AS/NZS 1859.2 MDF	Standard EO	E0	0.5

Simon Dorries
EWPA General Manager
Date of Issue :09-Apr-15

* Super E0 must have an average emission amount ≤ 0.3 mg/L with a maximum amount ≤ 0.4 mg/L. The Super E0 and particleboard E0 classifications are industry limits. This certificate is valid on the date of issue. This certificate must not be reproduced except in full. To view the current list of EWPA certifications held by this organisation, please visit the EWPA's on-line register at <http://www.ewp.asn.au/register>.
